HAPPY SIXTY-FIFTH BIRTHDAY

ROTARY CLUB OF SAN CARLOS!!!

This is a terrific and special day for our club, so we celebrate it in a terrific and special way. First of all, it will be held at the Hiller Aviation Museum, located at 601 Aviation Way, San Carlos.

We are very fortunate indeed to have a very special speaker for the occasion – **Past Rotary International President Cliff Dochterman!** We are one of a very small group of clubs that are able to get Cliff to speak to our clubs. He will be visiting us for the **second time** . . . last time he was with us was when Vera Lindeburg was President . . . in the Rotary year 1992-93! Cliff was Vera's President!

Cliff Dochterman's professional life included 40 years in higher education administration – 20 years each at the University of California in Berkeley and at the University of Pacific in Stockton, California.

Cliff is one of the two most requested speakers in the Rotary World – the other one is Rick King who we heard a few months ago. To have **both** of them come to our club to speak to our club speaks volumes of the respect our club has earned over our sixty five years.

This is an absolute "Don't Miss Program!" Bring your friends and relatives to hear one of the most entertaining, informative and wonderful speakers in the world. It is guaranteed that they will enjoy it!

Reservations are required by 10:00 am Tuesday.
