Reubens for Rotary 2017

A MOROCCO HIGH ATLAS PROJECT BENEFIT

SUNDAY, JUNE 4TH 3-7PM

Please join us for our second annual gourmet extravaganza, Reubens for Rotary 2017. This is our all-artisanal smorgasbord for Rotary's good work around the world, in particular our water project to build an aqueduct for Berber villages in Morocco's High Atlas Mountains.

This will feature home-cultured cheeses, home-cured pastrami, home-smoked salmon, home-baked breads, home-fermented kraut, etc. Wheels of parmesan, asiago, edam, and tomme cheeses are already aging away. Plenty of vegetarian and vegan options.

Tickets = \$80
