Rotarians of D5150:

The Peace Corps and Rotary is a classic combination.

Members of the Rotary Clubs of Woodside, San Carlos, and Mill Valley are hosting a joint reception with the National Peace Corps Association.

The Returned Peace Corps volunteer community is vast throughout the country, and there are thousands residing here in California. Come meet some of them, learn about their experience and show them what Rotary is all about.

Join us for a reception to showcase projects from our Rotary District that will inspire and event motivate some to join our clubs. Learn about active projects including in Sierra Leone, Morocco, Peru, Tanzania, and elsewhere!

Tickets are \$20 per person (kids free). Tickets are available by visiting <https://www.brownpapertickets.com/event/4492069> or RSVP to Steve Carlson at amazigh93@gmail.com or RoseAnn Rotandaro at rrotandaro@gmail.com
